**All Software is available on Subscription
 Covers unlimited school use with free upgrades over three years**

Essex Primary gained twenty one Level fives in the Maths National Tests at KS2, for the first time in their history of the school. Yolanda Samaria, the schools ICT Co-ordinator, attributes the successful results to the hard work, co-ordinated approach by teachers and the timely use of the JellyJames e-Assessment software.

Upfront Payment 3 Year Subscription	Price	Tick one	Tick if using eLC	Sub Total

* No. of pupils enrolled at the school and **not** users who will use the software concurrently.
 * Unlimited concurrent users on the network.
 * Software supplied for the networked ICT server.

"My colleagues and I have been very impressed by the opportunities the software provides for reinforcement of concepts and the preparation for End of Key Stage testing. May I take this opportunity to congratulate you on a very comprehensive and well thought out piece of software".

Lisa Jeffrey, ICT Co-ordinator, Christ Church CE Primary School

School Evaluation Copy - Request

I agree the following:

1. Please send me a 14 day copy of the e-Assessment Year 6 software.
2. I agree to return the evaluation copy after the evaluation period in the stamped addressed envelope provided.
3. I understand that failure to return the software will result in the school being automatically invoiced ten days after the evaluation period.
